SUNY Korea Scholarship Application

Scholarship Terms and Conditions

Students are responsible for reviewing, understanding, and abiding by the University's regulations, procedures, requirements, and deadlines as described in official publications. This includes, by way of example only, the Undergraduate Bulletin, the University Conduct Code, the Student Handbook, and class schedules.

Acceptance of an individual scholarship/fund aid award is an agreement to the terms and conditions of that award as well as all policies governing SUNY Korea scholarship/fund aid. Every student's financial award package (scholarships, fund aid, gifts and need-based assistance) is subject to audit with the final determination to be made by the SUNY Korea Scholarship Committee in compliance with rules and regulations. A student's funds may not exceed the direct cost (tuition, fees, room and board). If the student also receive non-SUNY Korea funds (including all forms of external assistance), the total of all funds cannot exceed the total direct and indirect costs of education. Indirect costs include allowances for personal expenses and transportation. Value/amount of scholarship/fund aid is determined from the SUNY Korea Scholarship Committee in consideration of students' academic excellence, extracurricular activities, individual talents and external factors such as financial circumstances and it may vary.

- Full-time enrollment on SUNY Korea is required for all SUNY Korea scholarship/fund aid recipients.
- It is the duty of each recipient to act as an exemplary model and be demonstrative of good manner and attitude as well as academic excellence; therefore, the university reserves the right to cancel scholarship once the university defines a student's behavior as inadequate for scholarship.
- Recipients have responsibility to meekly follow the university expectations and the Residential College (RC) Program. Students are required to get letter grades of B+ or higher in each semester to maintain scholarship.
- Recipients must give permission for their information to be shared with scholarship donors if they request it.
- SUNY Korea reserves the right to adjust individual scholarship awards after letters have been accepted to ensure effective use of university funds.
- If a recipient discontinues his or her study at SUNY Korea, the scholarship will be terminated.
- For any incidents that may affect the scholarship like intermission or leave of absence, recipients must report first to Academic and Student Affairs before any incidents happen.
- Even after the scholarship/fund aid has been given, it can be cancelled and the amount of scholarship/fund aid received has to be refunded to the university if the students get into academic action, misbehave or violate University student conduct code.
- Renewable awards are contingent upon maintaining a minimum grade point average mentioned in their offer, completion of the donor appreciation letter, commitment to get involved in university advancement events, maintaining their campus residency status and meeting all other conditions of the renewal criteria as specified for each scholarship/fund aid.
- Any amendments which may occur in terms and conditions or in any university policies and laws will be applied and must be kept by all scholarship recipients, and it is recipients' responsibility to follow up with any amendments made in its terms and conditions.
