

## SUNY Korea-FIT Scholarship / Financial Aid Application

### Scholarship Terms and Conditions

Students are responsible for reviewing, understanding, and abiding by the University's regulations, procedures, requirements, and deadlines as described in official publications. This includes, by way of example only, the University Conduct Code, the Student Handbook, and class schedules.

Acceptance of an individual scholarship/financial aid is an agreement to the terms and conditions of that award as well as all policies governing SUNY Korea-FIT scholarship/financial aid. Every student's financial award package is subject to audit with the final determination to be made by the SUNY Korea Scholarship Committee in compliance with rules and regulations. A student's funds may not exceed the direct cost (tuition, fees, room, and board). If the student also receives non-SUNY Korea-FIT funds (including all forms of external assistance), the total of all funds cannot exceed the total direct and indirect costs of education. Indirect costs include allowances for personal expenses and transportation. Value/amount of scholarship/financial aid is determined by the SUNY Korea Scholarship Committee in consideration of students' academic excellence, extracurricular activities, individual talents and external factors such as financial circumstances and it may vary.

- Full-time enrollment on SUNY Korea-FIT program is required for all SUNY Korea-FIT Scholarship recipients.
- It is the duty of each recipient to act as a role model and be demonstrative of good manner and attitude as well as academic excellence; therefore, the University reserves the right to cancel scholarship once the University defines a student's behavior as inadequate to be a recipient.
- Recipients have the responsibility to meekly follow the University expectations and the Residential College (RC) Program. Students are required to Pass (P) in each semester to maintain the scholarship.
- Recipients must give permission for their information to be shared with scholarship donors if they request it.
- SUNY Korea-FIT reserves the right to adjust individual scholarship after letters have been accepted to ensure effective use of University funds.
- For any incidents that may affect the scholarship like intermission or leave of absence, recipients must report first to Academic Affairs before any incidents happen.
- Even after the scholarship has been given, it can be cancelled and the amount of scholarship received has to be refunded to the University if the students get into academic action, misbehave or violate University student conduct code.
- Any amendments which may occur in terms and conditions or in any University policies and laws will be applied and must be kept by all scholarship recipients, and it is recipients' responsibility to follow up with any amendments made in its terms and conditions.
