Responsibility of Scholarship Recipients

In addition to the above renewal criteria, all recipients of scholarship or financial aid are required to submit regular Self-Evaluation Reports to the Academic Affairs Office (Academicaffairs@sunykorea.ac.kr); failure to do so will result in a penalty. (Please see the details of this report in the following section, “Self-Evaluation Report”.)

Self-Evaluation Report

All recipients of scholarship or financial aid are required to submit the Self-Evaluation Report to the Academic Affairs Office within 14 days after the official end of each semester. The Self-Evaluation Report Form will be sent out during the semester. Students can submit the application form by either filling out the form through the link shared in the email sent by Academic Affairs or sending the report in a soft copy to Academic Affairs Office.

Vision Statement Report - How to Contribute to the World (Graduating Semester ONLY)

All recipients of Presidential Scholarship and Provost Scholarship enrolled in their graduating semester are required to submit a Vision Statement Report to the Academic Affairs Team by Friday of the ninth week of the graduating semester. The Vision Statement Report should be 5 to 6 pages in length (12-point, double spaced) and should describe their vision for after graduation and how their major can help to serve that vision, as well as how their vision can contribute to bettering the world.

The SUNY Korea Continuing Student Scholarship Committee will evaluate renewal of scholarship/financial aid based on reviews of recipients’ reports and reference checks with relevant departments or personnel. **Students who miss the submission deadline or who do not receive approval for renewal will be informed of the termination of their scholarship/financial aid in a timely manner and/or academic hold will be placed on student’s account.**

Scholarship Petition

For students who fail to meet the renewal criteria mentioned above, the letter of official scholarship discontinuation will be sent in compliance with the SUNY Korea Undergraduate Scholarship/ Financial Aid Guide. Students may (if applicable) petition the Continuing Student Scholarship Committee for reconsideration. Such petitions will be reviewed by the Continuing Student Scholarship Committee on a case-by-case basis and the final result will be informed to the student in a timely manner. Please see the minimum GPA requirements for petition in the chart below.

Petition	Semester GPA	Cumulative GPA	Petition Review
1st Petition	At least 2.8	At least 2.8	Will be reviewed by SUNY Korea Scholarship Committee and may be accepted unless the student has any significant breach of contract (Scholarship offer letter).
2nd Petition	At least 3.0	At least 3.0	Will be reviewed by SUNY Korea Scholarship Committee and may be accepted unless the student has any significant breach of contract (Scholarship offer letter). The benefit granted may decrease significantly.
3rd Petition and thereafter*	Petition is not allowed		

*Students may petition for a third time under special circumstances.

After the petition is reviewed, the Continuing Student Scholarship Committee shall have discretion in the decision to grant/deprive/reduce any scholarship benefit.

Scholarship Leave and Reinstatement

SUNY Korea scholarship students may take an approved leave of absence for up to two consecutive semesters (four consecutive semesters in case of military leave.) Scholarship recipients must submit the Leave of Absence Request Form to the Academic Affairs Office. Unauthorized leave of absence will result in termination of the scholarship. Scholarship recipients must petition the Academic Affairs Office when they submit the Undergraduate Rematriculation Form to avoid scholarship termination. Students with reported military leave are also required to petition the Academic Affairs Office when they submit the Undergraduate Rematriculation Form to avoid scholarship termination.

A scholarship recipient who enrolls less than full-time (if full-time enrollment is required for scholarship renewal), withdraws, or is suspended or dismissed from the University will lose his/her scholarship eligibility. A student who assumes such status due to medical or any other serious reason may appeal in writing to the SUNY Korea Scholarship Committee to have his or her scholarship reinstated. The appeal must be submitted with supporting documentation, such as a letter from a doctor. In such cases leave cannot exceed two consecutive semesters (four consecutive semesters in case of military leave) in order to retain the possibility of scholarship reinstatement. Students are responsible for ensuring that condition is met.

The maximum renewal period for any scholarship being reinstated is counted from the term it was first provided. In the case of a recipient who has decided to take a semester leave after the first day that a new semester has begun, as the transaction for tuition and/or all the supporting fees has already been processed, that term will also be counted towards the maximum renewal period.

Scholarship Overlap Guideline

Scholarship overlap may occur due to the scholarship criteria for the Academic Excellence/Prestige Scholarship. In the case where a student who has already been supported by a certain scholarship is nominated as a recipient of the Academic Excellence/Prestige Scholarship, the scholarship which provides the larger amount will be applied towards tuition for the following semester. The term in which these scholarships are applied will still be counted towards the recipient's original scholarship maximum renewal period.

[Appendix 1] Scholarship/Financial Aid Terms and Conditions

Students are responsible for reviewing, understanding, and abiding by the University's regulations, procedures, requirements, and deadlines as defined in official publications. This includes, by way of example only, the Undergraduate Bulletin, the University Conduct Code, the Student Handbook, and class schedules.

Acceptance of an individual scholarship/financial aid award is an agreement to the terms and conditions of that award as well as all policies governing SUNY Korea-FIT scholarship/financial aid. Each student's financial award package (scholarships, fund aid, gifts and need-based assistance) is subject to audit with the final determination to be made by the SUNY Korea Continuing Student Scholarship Committee in compliance with rules and regulations. A student's funds may not exceed direct costs (tuition, fees, room and board). If the student also receives non-SUNY Korea funds (including all forms of external assistance), the total of all funds cannot exceed the total direct and indirect costs of education. Indirect costs include allowances for personal expenses and transportation. The value/amount of scholarship/financial aid is determined by the SUNY Korea Continuing Student Scholarship Committee in consideration of a student's academic excellence, extracurricular activities, individual talents and external factors such as financial circumstances, and may vary.

- Full-time enrollment in SUNY Korea is required for all SUNY Korea scholarship/financial aid recipients.
- It is the duty of each recipient to act as an exemplary role model and be demonstrative of good character as well as academic excellence; therefore, the university reserves the right to cancel scholarship/ financial aid should the university determine the student has failed to meet these criteria.
- Recipients must give permission for their information to be shared with scholarship/financial aid donors if the latter request it.
- SUNY Korea reserves the right to adjust individual scholarship/financial aid after letters have been sent to ensure effective use of university funds.
- If a recipient discontinues his or her study at SUNY Korea, the scholarship/financial aid will be terminated.
- For any incidents that may affect the scholarship/financial aid like intermission or leave of absence, recipients must report such a possibility to the Academic Affairs Office before any such incidents occur.
- Even after scholarship/financial aid has been given it remains subject to cancellation for such reasons as academic misbehavior or violations. In such cases, the student is obligated to refund the amount of scholarship/ financial aid received to the university.
- Awards are renewable contingent upon the student: maintaining the minimum grade point average detailed in the offer, completing the donor appreciation letter, participating in the advancement of the university community, maintaining campus residency status, and meeting all other renewal criteria as specified for each scholarship/financial aid.
- Any amendments which may occur in terms and conditions or in any university policies and laws will be applied and must be abided by all scholarship/financial aid recipients. Recipients are responsible for keeping abreast of any amendments made in terms and conditions.

✘ Only one student will be nominated as the recipient of one of the above scholarship benefits from a class of less than 25 students who are reviewable with actual grade point average.

The Tie-breaker

In the event of a tie for the highest semester GPA, the tiebreaker process for determining the recipient of the Academic Excellence/Prestige Scholarship will proceed in order (a to h) as follows:

- a) The higher semester GPA
- b) The total number of earned credits
- c) The higher cumulative GPA
- d) The higher average GPA of major courses
- e) The total earned credits of major courses
- f) The higher average GPA of General Education courses (Mainly English and/or Mathematics)
- g) The levels of courses taken
