IGC Alumni Career Talk		
<p>You will spend 2 hours with four of our distinguished and most successful IGC alumni who are working in highly recognized major companies and a public sector in Korea. You will gain first-hand information and practical advice regarding various career paths, and a meaningful session networking with our proud IGC Alumni professionals.</p>		
English Resume 101 Lecture	English / Korean Mock Interview	MBTI Test & Consultation
<p>English resume 101 is a special lecture designed for students who have not written a resume before. This lecture will provide support in developing your English resume</p>	<p>Two professional career consultants will be conducting both interviews, and students will be divided into groups of 4 to 5 depending on majors or applying jobs. Each group will have 25~30 minutes to go through the interview. *Due to the limited space, pre-registration is necessary.</p> <p><u>Applicant information and a resume (English /Korean) must be submitted by Monday, August 29.</u> Mock interviews will be conducted privately only for registered students. Business causal required.</p>	<p>Students will be given 2 hours to go through the MBTI Self-Assessment Test on the spot (test sheet language available in English/Korean) and receive consultation with an MBTI expert.</p> <p>*There will be a limited number of 30 students for this session, pre-registration is necessary.</p>
Individual English Resume Clinic		
<p>English resume clinic is a 1:1 clinic, where you will have an exclusive opportunity to have your English resume critiqued by one of three professional consultants. You may bring your resume or any consultation regarding career.</p>		

****The whole session will be held in English except for the Korean Mock Interview****
