

2023 Sustainable Development Goals Youth Summer Camp

INCHEON, REPUBLIC OF KOREA | 16-19 AUGUST, 2023

APPLICATION PERIOD: 1 MAY (MON) - 21 MAY (SUN), 2023

OVERVIEW

The "2023 SDGs Youth Summer Camp" is co-organized by the United Nations Office for Sustainable Development (UNOSD), the Ministry of Environment of the Republic of Korea (MoE), the Design Factory Korea of Yonsei University (DFK), and the Korea Environment Corporation (K-eco). **This year marks a special turning point in the journey towards the water-related SDGs as the mid-point of the "UN Water Action Decade". Taking this opportunity, this year's summer camp will focus on the importance of water for the successful SDGs achievement by 2030.** The program will use "Design Thinking Methodology" which is a user-centric approach to developing accelerated solutions for SDGs achievement.
