

# SUNY Korea Protocol for Positive COVID-19 Case in Residence Halls

## Positive Case – Single Room:

### **Step 1: Inform**

Inform Student Services ([student@sunykorea.ac.kr](mailto:student@sunykorea.ac.kr)) as soon as you receive the positive test result

### **Step 2: Isolate**

Isolate in room until an off-campus quarantine has been organized (must leave campus within 24 hours)

### **Step 3: Implement**

Implement a quarantine plan (*Note: Students are responsible for organizing their own quarantine and should have a plan on what they will do in case they are confirmed*).

#### Options for self-quarantine:

- 1) Private residence (family or friend)
- 2) Government quarantine *\*see note below*
- 3) Quarantine company (at students' expense)
  - a) Enkor (<https://www.enkor.kr/quarantine/>)
  - b) Stay14: (<https://stay14.com/>)

Off-campus quarantine is considered complete once the individual has isolated for 7 days from the time of the positive test result. Students may return to campus upon completion of quarantine. You will need to show the IGC Housing Office the 'Confirmation of Release From Isolation' (hardcopy or text message).

*\*With the sudden increase in COVID-19 cases, the availability of government facilities is not guaranteed. However, preference may be given to individuals who do not have access to off-campus residences.*

## Positive Case – Double Room:

### **Step 1: Inform**

Inform Student Services ([student@sunykorea.ac.kr](mailto:student@sunykorea.ac.kr)) as soon as you receive the positive test result

### **Step 2: Isolate**

Isolate in room until an off-campus quarantine has been organized (must leave campus within 24 hours). The other roommate will temporarily vacate the room while it is sanitized and will take a rapid antigen test. Please contact the Student Services Team to organize a plan to take the rapid antigen test. Once the room is sanitized, then the roommate may decide to return to the room.

### **Step 3: Implement**

Implement a quarantine plan (*Note: Students are responsible for organizing their own quarantine and should have a plan on what they will do in case they are confirmed*).

#### Options for self-quarantine:

- 1) Private residence (family or friend)
- 2) Government quarantine *\*see note*
- 3) Quarantine company (at students' expense)
  - a) Enkor (<https://www.enkor.kr/quarantine/>)
  - b) Stay14: (<https://stay14.com/>)

Off-campus quarantine is considered complete once the individual has isolated for 7 days from the time of the positive test result. Students may return to campus upon completion of quarantine. You will need to show the IGC Housing Office the 'Confirmation of Release From Isolation' (hardcopy or text message).
