

2019 Incheon Medical Tourism International Student Supporters Recruitment Notice

Incheon Metropolitan City and Incheon Tourism Organization are recruiting '2019 Medical Tourism International Student Supporters' in order to promote the city of Incheon as an international medical city featuring the state-of-the art medical facilities, international airport, and seaport.

1. Overview

- Open to: about 25 international students and a total of 5 Korean students with English proficiency who are interested in medical tourism and able to continuously participate as the supporters
- Application Period: March 5(Tue) – March 15(Fri), 2019
- Activity Period: March – November 2019
- Eligibility: SNS activities, Korean and English language proficiency, etc.
 - ※ For international students, those who can speak Korean or English and remain in Korea until after December 2019 will be chosen.

2. Activities and Benefits

- Activities
 - Experience medical facilities and services (once a month)
 - Produce promotional contents of the visited medical facilities (photo, video)
 - Promote medical tourism via personal SNS, Youtube, Blog, e-mail, etc.
 - Visit wellness tourism sites and experience the history of Incheon
 - Participate in the monthly regular meetings and activity reporting sessions (meals provided)
 - Benefits
 - Experience complimentary medical service
 - Receive supporters' activity expenses (KRW 100,000 per month)
 - Awards to excellent supporters
- ※ Those who miss meetings more than twice or have no activity records will lose the supporters' membership.

3. How to apply: via e-mail (today@korea.kr)

- Documents to submit: Application Form and Personal Information & Usage Agreement

4. Selection and Notice: The results will be notified individually to the contact information specified in the application form

5. Inquiry: International Medical Service Team of Health Policy Division, Incheon Metropolitan Government (Ms. Park Keun-ae, Tel: 440-2739)
